ABOUT US

Established in 2018, LIFE Inc. is a non-profit organization located in Mississippi that aims to foster a safe environment where everyone can thrive, give back to their community, and cultivate healthy partnerships and relationships. Our annual outreach programs in partnership with other organizations help to raise awareness and give back to our community.

A special collaboration with the Operations Shoestring allows us to provide food for those in need during Thanksgiving and Christmas. We're also proud to adopt impoverished families during the holiday season and supply them with food, basic necessities, and toys for their children. We're grateful for the support we receive to continue our outreach programs and we couldn't do it without you. Join us in our mission to create a better tomorrow for all.

ABOUT SWEETHEART GALA

Celebrating Marriage Equality with LIFE Inc's Sweetheart Gala

On December 13, 2022, the "Respect for Marriage Act" was signed into law by the President, establishing statutory authority for same-sex and interracial marriages and repealing provisions of law that once prevented any State or territory from being required to give effect to a same-sex marriage from another State or territory.

To commemorate this significant achievement, LIFE Inc is proud to introduce the Sweetheart Gala – an event dedicated to honoring couples who have tied the knot under this new law. We also recognize the individuals in our community who are working hard to make a positive impact. Come join us in celebrating the love and commitment that these couples have shared over the years.
